# Public Outreach Phases

## METROPOLITAN TRANSPORTATION PLAN 2050

RAC: Fall 2020
Public: Spring 2021

1

WE'RE HERE!

### Phase 1: Establish Themes & Collect Strategies

The first phase will focus on connecting with various agencies through education and information. Establishing "themes" and identifying strategies to implement them will also be a priority during phase 1.

Fall 2021–
Winter 2021

2

### Phase 2: Report Out on Strategies & Gather Projects Input

Phase two centers around reporting out to the public on the identified strategies and action steps. While also gathering input on proposed projects.

Spring 2022–
Summer 2022

3

### Phase 3: Evaluate Impact of Strategies/Overall Feedback

The third phase is the feedback loop stage that includes writing and improving elements of the draft plan by sending it out for public comment.
