Notes:

1. For the first time, several tracts were consolidated between 2000 and 2010.
2. Tract 32.05, representing Burns Park, has become a “special land use tract.”
3. Tract 36.10 is split between 36.06 and 36.10 in census records online. This represents a Census Bureau error. Tract 36.10 as shown in Metroplan documents and maps is correct and consistent with Census Bureau policy of removing tract designation numbers from use after splits occur.

Sources: Census 2000 and 2010, with Metroplan estimates to correct for minor census block changes.
