Title: Comprehensive Development Plan Update

Bid Start Date: Nov. 28, 2018, 8 a.m.

Bid End Date: Dec. 27, 2018, noon

Status: Open

Description: City of Benton Comprehensive Development Plan Update

Deadline: December 27, 2018, 12:00 p.m. (noon)

The City of Benton, AR is requesting Statements of Qualifications from firms with experience in community development, land use, demographic and economic analyses, and infrastructure analyses. Planning experience should be broad and include key components such as for residential, commercial, and industrial development, police, fire, utility infrastructure assessment, streets, traffic analyses, school systems/districts, historical elements, parks and greenways, drainage and natural resource areas, bike and pedestrian pathways. In addition the consultant shall have experience with all facets in communication with the public, departments and staff, constituents, stakeholders, and commissions for input and in obtaining final acceptance of the Updated Plan and to develop concise and executive level briefings to be communicated through all City Committees, Commissions and the City Council. Each Committee, Commission, and the City Council will be Instructed by the Consultant on their role in using the Updated plan for guidance and as a key reference in decision making and annual assessment in keeping the Updated Plan current. Lastly, Integrated products are to be created that highlight the components of the City of Benton's Comprehensive Development Plan and are designed to be used for marketing and promoting targeted economic growth areas and for other purposes.
