Public Review and Comment

The public is invited to review and submit comments on a proposed amendment to the FFY 2017 Annual Element (AE) of the Central Arkansas Regional Transportation Study (CARTS) FY 2016-2020 Transportation Improvement Program (TIP). This will advance the project to the TIP's annual Agreed Upon List of Projects (AULP).

The purpose of the amendment is to **modify the description of the work** proposed for the 30 Crossing project (ArDOT Job No. CA0602):

From: Operational improvements & reconstruction
To: Capacity improvements & reconstruction

If approved, this amendment will also **remove the following footnotes** 1 and 2 from the project description:

- 1) *Specific type of work will be determined through the NEPA process. Following the selection of a single alternative from NEPA and at the request of AHTD, the Metroplan Board will consider a LRMTIP and TIP amendment to reflect the final project. Approval of the amendment by the Metroplan Board will be required.*
- 2) *Total cost includes all phases to allow the project to be delivered by the Design-Build-Finance method.*

Additional information on this project may be found on the Metroplan website (metroplan.org/content/tip) or on the ArDOT website connectingarkansasprogram.com

The TIP is a list of federally funded transportation projects proposed by various communities, transit providers, Metroplan and the Arkansas Department of Transportation. Projects must be listed in *Imagine Central Arkansas*, the long-range metropolitan transportation plan, in order to be considered for inclusion in the TIP and to receive federal funds.

The public comment period extends from Sunday, December 3, 2017, until close of business day on Monday, December 18, 2017.

Written comments should be submitted to: CARTS Study Director, Metroplan, 501 W. Markham St., Suite B, Little Rock, AR 72201. *This legal notice also satisfies Rock Region METRO's procedures for public notice.* All comments must be postmarked no later than Monday, December 18, 2017. Comments may also be faxed to 372-8060, or e-mailed to <mailto:comments@metroplan.org>. Call Metroplan at 372-3300 for further information.
