Public Review and Comment

The public is invited to review and submit comments on the transportation planning activities proposed for State Fiscal Years 2021 through 2022 (July 1, 2021, through June 30, 2022) in the Unified Planning Work Program (UPWP) for the Central Arkansas Transportation Study area (CARTS).

The public comment period is from Sunday, May 2, 2021, through close of business day on Monday, May 31, 2021.

The UPWP is a document that is prepared biennially by Metroplan, which describes officially endorsed surface transportation planning activities to be carried out by Metroplan, the Arkansas Department of Transportation (ArDOT) and the transit authority Rock Region METRO during the fiscal year beginning July 1 and ending June 30. Budgets for these planning activities are financed in large part with federal transportation planning funds through the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA).

The UPWP is developed through a “3C” process that is carried out by Metroplan in cooperation with the ArDOT and public transit providers.

The draft UPWP is available in downloadable format at www.metroplan.org, and from Metroplan. Written comments should be submitted to the CARTS Study Director, Metroplan, 501 W. Markham St., Suite B, Little Rock, AR 72201. All comments must be postmarked no later than Monday, May 31, 2021. Comments may also be faxed to 372-8060, or e-mailed to comments@metroplan.org. Call Metroplan at 372-3300 for further information. (Hearing impaired call 711.)
