METROPLAN ANNOUNCES \$17.35 MILLION AWARDS TO CENTRAL ARKANSAS

Monday October 14th, 2024

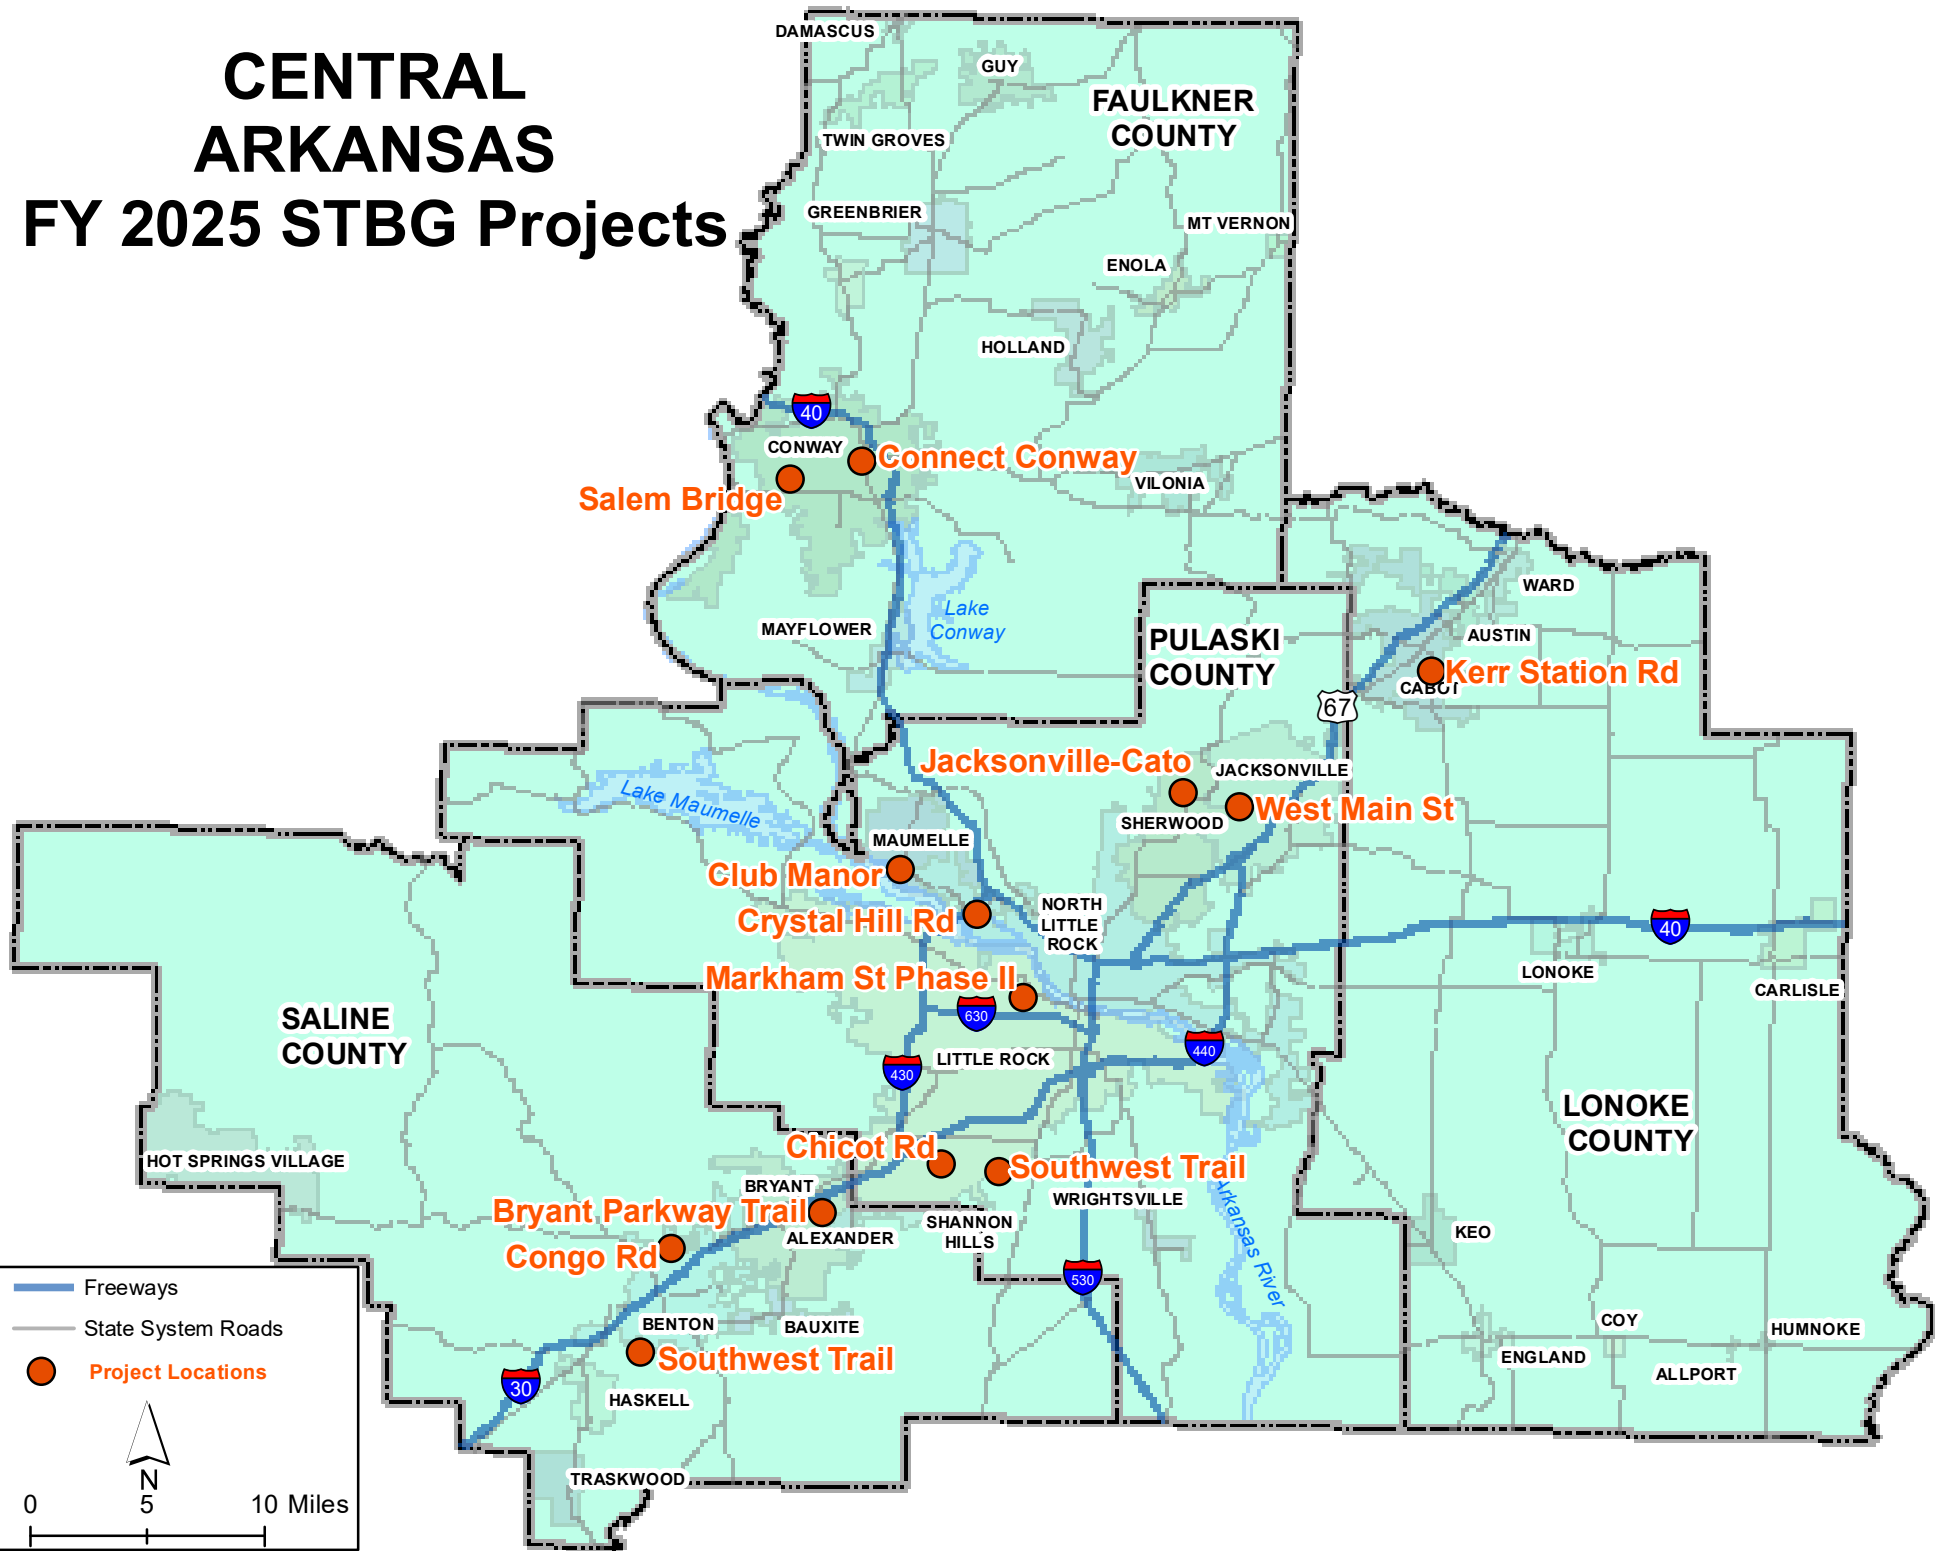

During its October Board meeting, Metroplan awarded nine cities and two counties surface transportation block grant funding, totaling \$17.35 million, to design or construct transportation projects around Central Arkansas. These projects include:

- Benton was awarded \$400,000 to design improvements to Congo Road from Shenandoah Road to Longhills Road.
- Bryant was awarded \$220,000 for design on the Bryant Parkway Trail.
- Cabot was awarded \$480,000 to design improvements to Kerr Station Road from Campground Road to Highway 321.
- Conway was awarded \$1,000,000 in supplemental funding for the Salem Road Bridge. The city also received \$1,000,000 for additional design on the upcoming Connect Conway trail project.
- Jacksonville was awarded \$2,250,000 for additional construction costs on its West Main Street realignment project.
- Little Rock was awarded \$1,075,000 to construct phase 2 of its Markham Street improvement project from Cedar Street to Martin Street.
- Maumelle was awarded \$2,080,000 in additional funding for Club Manor Drive roadway improvements and multi-use side path project from Odom Boulevard to Millwood Circle.
- North Little Rock was awarded \$545,000 to extend Crystal Hill Road from its current alignment near Dewafelbaker Lane to Maumelle Boulevard at Corporate Drive.
- Pulaski County was awarded \$1,300,000 to construct improvements on Chicot Road from Castle Valley to Green Road. The county also received \$600,000 for additional engineering on the Southwest Trail.
- Saline County was awarded \$2,400,000 for additional design on the Southwest Trail from the Old River Bridge to the Garland County line.
- Sherwood was awarded \$4,000,000 to construct roadway improvements on Jacksonville-Cato Road from Lybrand Drive to Highway 107.
